ANNUAL CHRISTMAS LUNCHEON ~ December 6th

Bells announce the Coming of the Lord!

The room filled with excitement as the **VP of Special Events, Gloria Danforth** began to explain the theme of our Christmas Luncheon—*“Joy to the World”*. The Lord’s leading in this event has been clear and strong, like the sound of a bell...and we can’t wait to share this awesome day with you! It will be held at the Country Springs Hotel in Pewaukee on December 6th. *As part of the festivities we are asking everyone to bring along a bell that you will be using as part of our event.*

Glowing Embers!

The SOWI Aglow has made a request of the Lord to double the number of Lighthouses in the Southern Area of WI. It is so exciting to see all of the “embers” beginning to glow, as women gather in various communities seeking God’s leading for future Aglow Lighthouses! **Pat Berger, VP of Lighthouse Development** has been working tirelessly with 7 new groups in our area. As she assists them ...the Area Team members gather around and “fan” those embers with prayer and encouragement, to assist those embers to bring forth flames! *Pray along with us—*
