In Wisconsin, Aglow has a vibrant Prison Ministry outreach! **Diane Schmitz** coordinates several programs ministering to women who are incarcerated. The House of Correction in Milwaukee has 2 groups that meet, one on Saturday (each month), and another on alternate Tuesdays. Another group meets every Friday at the Washington County jail. A new volunteer was recently trained and added to the Aglow roster – **Karen Grant/Jackson Aglow Lighthouse**.

Diane is currently working to coordinate a new outreach in the Dane County area. She was also able to share information with a ministry serving the Waupaca County jail! Diane also ministers to Aglow women who have loved ones who are incarcerated. Diane shared ways in which God has given her great favor in this ministry...she is uniquely positioned to share the love of God in many different situations. Diane is always looking for women with a heart to reach out to those who are in prison. Contact her if you would like to get involved! **414-543-8056**
